Agile

Epic Name:	PIM Module
-------------------	------------

Description

This core module maintains all relevant employee related information, including different types of personal information, detailed qualifications, work experience, job related information etc. Information captured in this module is utilized by all other modules, thus eliminating data redundancy.

*Agile***Epic Link:** PIM Module**Description**

A new employee is added to the system here. To add an employee, go to PIM>>Add Employee and the screen as shown below will appear

Add Employee

Full Name	<input type="text" value="James"/> * First Name	<input type="text"/> Middle Name	<input type="text"/> * Last Name
Employee Id	<input type="text" value="0003"/>		
Photograph	<input type="text" value="C:\Users\orangehrm\D"/> <input type="button" value="Browse..."/> Accepts jpg, .png, .gif up to 1MB. Recommended dimensions: 200px X 200px		
Create Login Details	<input checked="" type="checkbox"/>		
User Name *	<input type="text" value="jolsen"/>		
Password *	<input type="password" value="*****"/>		
Confirm Password *	<input type="password" value="*****"/>		
Status *	<input type="text" value="Enabled"/> <input type="button" value="▼"/>		
<small>* Required field</small>			
<input type="button" value="Save"/>			

Here will be completed all the relevant fields and also can be added a picture of the employee. To add a picture, click on "Choose File" and select the picture from the relevant path and click "Open". Employee code is generated automatically, but can be changed if required.

Also a user login for the employee can be created through this screen.

*Note: The maximum file size of the picture cannot exceed 1 megabyte.

Click "Save" once completed.

Epic Link:	OpenCart - Store front
-------------------	------------------------

Description

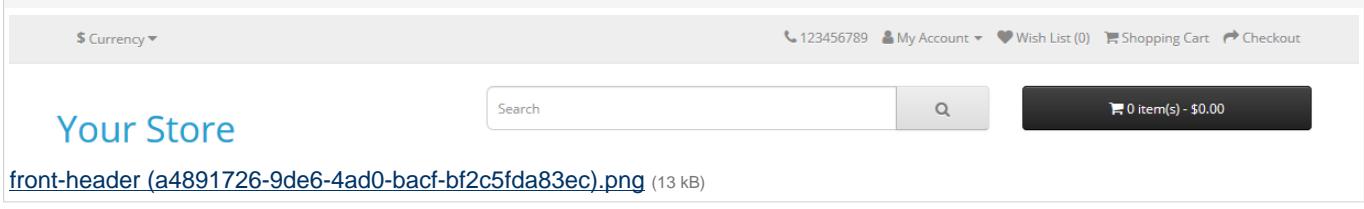

The header will be displayed at the top of the page, on every page of the store; not just the home page, like in the image bellow.

The header has the following navigation options:

- Store logo: Clicking on this logo will direct the customer back to the home page of the store.
- Currency block: The customer can select which currency the store's products will be in by clicking on any of the currency icons.
- Shopping Cart: Displays the number of items purchased, and the total price of the order. Clicking on the button will contain all of products added to the cart and an option to "View Cart" or "Checkout".
- Search box: The customers can type in the search box to search for a product within the store's product categories.
- Links: Links the customer to the Home page, Wish List, My Account, Shopping Cart, and Checkout.
- Telephone: Company telephone number.
- My Account: Customer can register or login from here.

Description

Steps to reproduce :

- 1.Navigate to demo.opencart.com
- 2.From the Home page drag the mouse over the parent categories for displaying the sub-categories

Expected result :

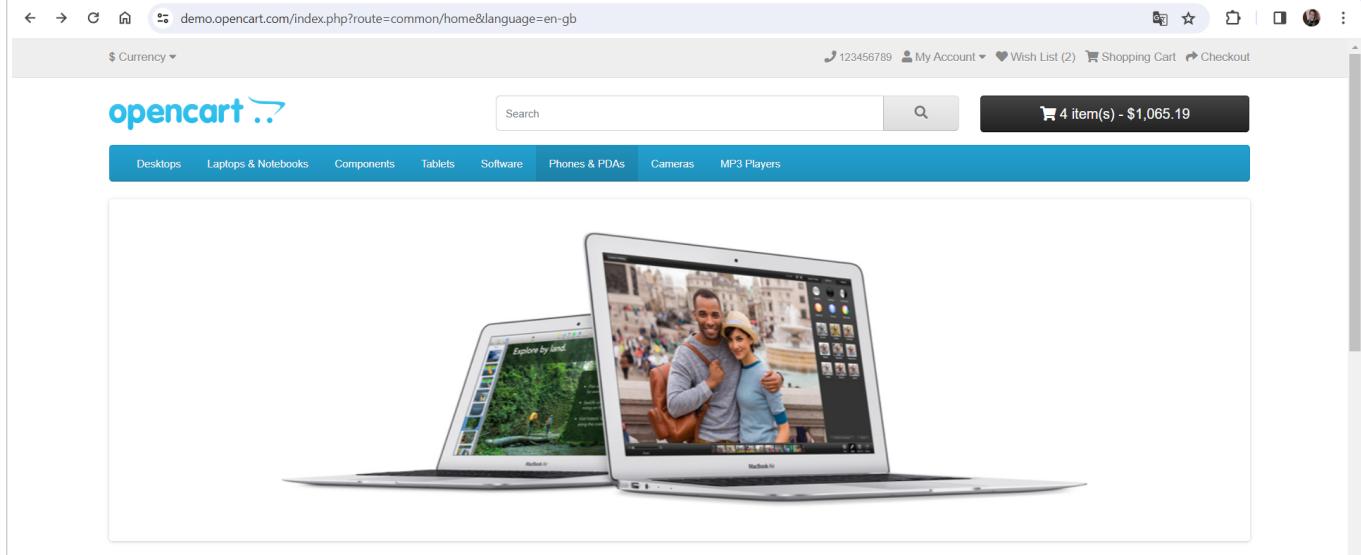

When the mouse is dragged over the parent category, the sub-categories to be displayed.

Actual result :

The sub-categories for the following categories are not displayed : Tablets, Software, Phones&PDAs, Cameras.

**Featured**

<https://demo.opencart.com/index.php?route=product/category&language=en-gb&path=33>

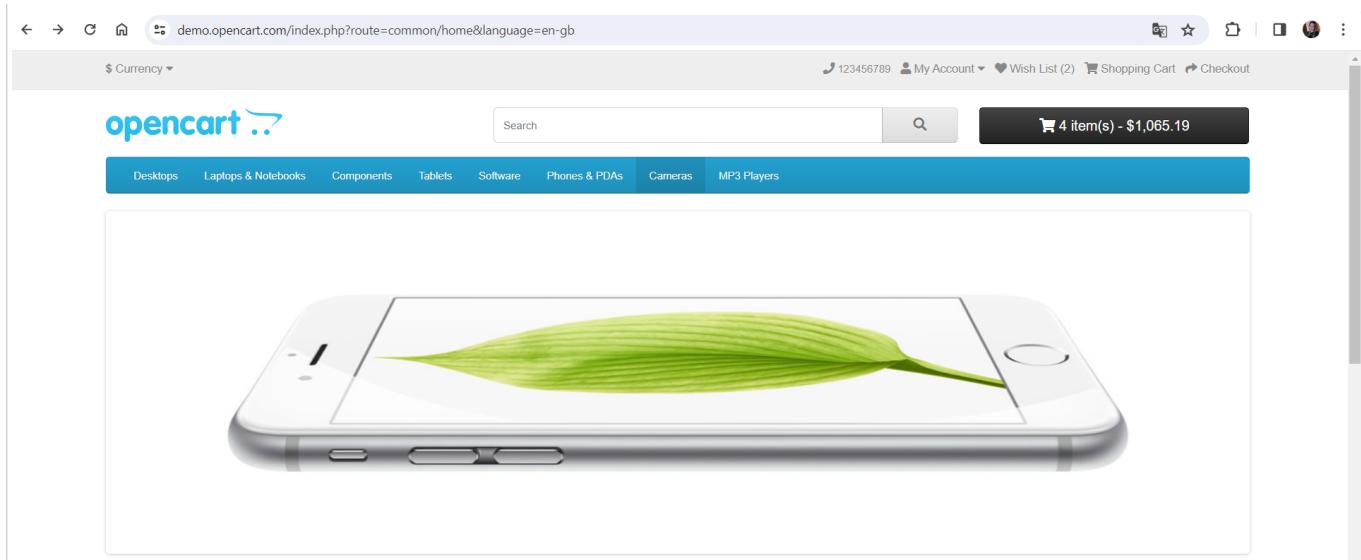

**Featured**

<https://demo.opencart.com/index.php?route=product/category&language=en-gb&path=24>

The screenshot shows a web browser displaying the demo.opencart.com homepage. The header includes a back/forward button, a search bar with placeholder 'Search', a currency dropdown set to '\$', and a top navigation bar with links for 'My Account', 'Wish List (2)', 'Shopping Cart' (containing 4 items worth \$1,065.19), and 'Checkout'. Below the header is the OpenCart logo. A horizontal menu bar lists categories: Desktops, Laptops & Notebooks, Components, Tablets, Software, Phones & PDAs, Cameras, and MP3 Players. The main content area features a large image of a white smartphone displaying a green leaf on its screen. Below this is a 'Featured' section with four smaller images: a laptop, a smartphone, a monitor, and a camera.

https://demo.opencart.com/index.php?route=product/category&language=en-gb&path=17

This screenshot shows the same OpenCart website as above, but the main content area now displays a single large image of a white smartphone, identical to the one shown in the first screenshot.

Description

The product page can be divided into the following sections:

- **Product image:** The product image can be displayed under the title on the left-side, along with alternate views of the product underneath it in smaller box. Clicking on the main image will expand the image within the window for the customer to see it in greater detail.
- **Product details:** The product code, availability, and price are displayed just right to the product image.
- **Cart:** The customer can select a quantity and add the product to their cart, wishlist, or compare.
- **Rating/Sharing:** Underneath the cart can rate the product and/or share the product on different social media websites.
- **Description tab:** An area underneath the main product information to provide a detailed description of the product.
- **Review tab:** An area for the customer to write a review on the product.
